Re. U.S.A. v. Kevin Cruz
18 Cr. 779 (ER)

Dear Judge Ramos:

Please accept this letter as an application, with consent of Assistant United States Attorney Andrew Chan, to continue the sentence of Mr. Cruz, currently scheduled for March 19, 2020, to any day during the first week of May, 2020, except May 8, convenient to the Court.

The request is necessary for multiple reasons. First, Mr. Cruz has been advised that the results of blood tests, taken about a month ago to determine whether his recurrent dark bloody stool is symptomatic of a serious medical condition, have not yet been received. Clearly, Your Honor should know his medical situation before imposing sentence. Second, we have just quite recently received the presentence report and recommendation, and need more time to prepare our sentencing submissions. Third, but less significant, I expect to be out of state on March 19, and will not return to New York Until March 25, 2020.

If this application is agreeable, may I impose upon Your Honor to "so order" this letter. Thank you for your consideration. I remain

Respectfully,
S/GRGoltzer
